Plaintiff,

12 v.

13 SPRINT SPECTRUM LP,

14 Defendant.

CASE NO. C20-1692JLR

ORDER TO SHOW CAUSE

16 This matter was opened as a motion to compel compliance with a subpoena duces
17 tecum issued by Plaintiff General Access Solutions, Ltd. (“General Access”) to non-party
18 T-Mobile U.S., Inc. (“T-Mobile”). (*See* Motion to Compel (Dkt. # 1).) Because T-
19 Mobile disputed the motion to compel, this matter was converted from a miscellaneous
20 action to a civil action and assigned to the undersigned. (*See* 11/7/20 Order (Dkt. # 9).)

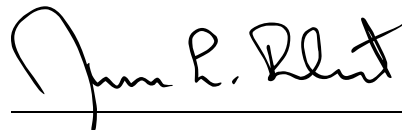

21 //

22 //

1 On January 7, 2021, this court held a telephonic hearing on the motion to compel.
2 (*See* Min. Entry (Dkt. # 14).) During that hearing, the court granted in part and denied in
3 part General Access's motion to compel. (*See id.*)

4 The motion to compel having been adjudicated, it appears that no further
5 proceedings are necessary in this court. Accordingly, the court ORDERS the parties to
6 SHOW CAUSE by no later than Friday, March 12, 2021, why this matter should not be
7 closed.

8 Dated this 8th day of March, 2021.
